## CARIBBEAN CHRISTIAN RADIO

*Dear Friend,*

In the United States we are accustomed to many cities where five or more Christian stations are broadcasting day and night.

I would like to tell you about an opportunity to be part of a station that is the only voice of the gospel in a very beautiful location that is very dark spiritually.

I was born in Belize, and now I have been given the opportunity to return with the message of God's grace. San Pedro is a town on Ambergris Caye off the coast of Belize near the Yucatan Peninsula of Mexico. San Pedro was the site of one of the early reality TV programs, Temptation Island on the Fox Network. Sadly, this program is all too typical of the moral climate of this island.

But I would like to invite your ministry to be a part of changing "Temptation Island" into a place of victory for the gospel!

I am operating Lighthouse Christian Radio in San Pedro at 101.3 FM, and we are looking for broadcast partners to reach this island- that has so many visitors looking for paradise.

Belize presents a unique opportunity in Central America because it is primarily an English-speaking country. Our island is one of the top ten retirement locations, according to a major magazine and it is a heavily visited vacation spot.

All of our programs will receive heavy on and off air promotion, and I hope you will prayerfully consider joining us in this outreach.

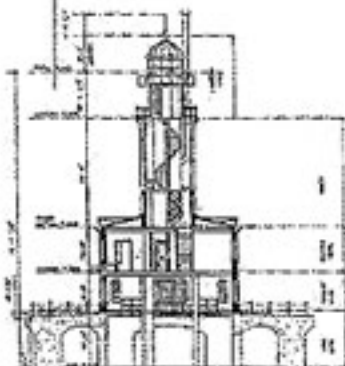

If you are interested in airing your program on Lighthouse, call (505) 341-9400.

Many blessings,

Clive Welsh
